

## **Yates Safety Health & Environment Assistant – Mt Druitt**

Join the Orica SH&E / OH&S team & immerse yourself in the industry leading safety culture. Work with our market leading gardening company Yates.

- **World class safety standards**
  - **Internationally recognised company**
  - **6 mth paid contract**
- 

Join Yates and make the most of a paid 6 month paid contract at our Mt Druitt manufacturing site. Working closely with the Site Manager and existing SH&E personnel, you will be responsible for delivering improvement initiatives in three key areas:

- Procedure Compliance
- Risk Assessment
- Site Auditing

The successful candidate will be passionate about making the OCP sites world class in terms of safety performance. You will be confident at delivering individual and group training to diverse groups and as such will possess strong written and verbal communication skills.

Related tertiary qualifications and hands-on safety experience will be well regarded. You may have recently completed or be in the process of completing undergraduate or post graduate studies in the safety field. An understanding of FMCG manufacturing or similar industries would also see you hit the ground running.

'No injuries to anyone ever'
